ADVANCED ROADSIDE IMPAIRMENT DETECTION AND ENFORCEMENT

A.R.I.D.E. – Drugs that Impair

December 10 & 11, 2009 8:00 a.m. to 5:00 p.m.

309 Hearnes Center, Columbia, Missouri

PROGRAM: This course will include training in the detection of impaired drivers by substance other than alcohol. It will involve training in Standardized Field Sobriety Testing, other tests and eye tests including lack of convergence, pupil size and reaction to light. Discussion will include methods of ingestion of the substances and classification of drugs, legal and illegal, by the type of impairment. Students should already be proficient in SFSTs and will have to pass a SFST proficiency test before continuing in the class. This course is an excellent preparation for Officers considering Drug Recognition Expert (DRE) training.

Participants will receive 16 hours of continuing education credit in the following areas: Legal Studies (2 hours), Technical Studies (6 hours), Interpersonal Perspectives (2 hours), and Skill Development (6 hours).

REGISTRATION: The fee for this program is **\$200.00**. *This program is covered by Training/Continuing Education Account Agreement, and can be paid for from this fund if monies are available.* Early registration is advised. For additional information, please contact our office.
