- *Technical Studies (7 hours)*

8 hours total

The Investigating Infant and Child Death course has now been endorsed by the Missouri STAT director

This course will walk an investigator through the steps of responding to and understanding an infant or child death. This course will cover areas specific to differing causes and manners of death in all child age groups and give an investigative guide to each. The course teaches techniques for interviewing family and witnesses, facilitating event re-enactments, conducting complete scene(s) investigations, identifying and collecting evidence, interpreting wound and injury evidence, and will assist in the development of practical guidelines for multi-agency cooperation.

Instructor:

Darren Dake is a Medicolegal Investigator for the Crawford County, Missouri Coroner's Officer, author, conference speaker, trainer and podcast producer committed to transparency, integrity and accuracy. He is a certified instructor and Criminal Investigator with over 28 years of experience in the field of Law Enforcement and Death Investigations.

Registration fee: \$125

Early registration is advised. For additional information, please contact our office.

This program is not covered by Training/Continuing Education Account Agreement but can be paid for from this fund if monies are available.
