TACTICAL COMMUNICATIONS/VERBAL DE-ESCALATION - 2 Hours

This dynamic and interactive block of instruction is designed to educate officers to avoid an action imperative mindset while resolving confrontational situations and the potential safety and liability issues associated with an improper response. Participants will also learn how to apply law enforcement philosophies to be able to safely de-escalate a crisis situation.

RACIAL PROFILING/IMPARTIAL AND FAIR POLICING/IMPLICIT BIAS AWARENESS - 2 Hours

This block of training is designed to help the officer understand that even well-intentioned people have biases; Understand how implicit biases impact on what we perceive and can impact what we do; Understand that fair and impartial policing leads to effective policing; and use tools to help recognize their conscious and implicit biases, and implement unbiased behavioral responses.

MENTAL HEALTH ISSUES FOR LAW ENFORCEMENT - 4 Hours

This 4-hour block of instruction is designed to provide a better understanding of what cognitive impairments are and what mental illness is and is not. This topics covered include ideas for handling calls that involve individuals who have a mental illness or cognitive impairment, identifying and understanding the stresses that the officer will face, and understanding the effects of psychological trauma. There will be focused discussion on the effects of a healthy life-style, the importance of having an appropriate fitness regimen, and establishing good nutritional habits. These things directly affect an officer's longevity, and their ability to effectively fulfill their professional law enforcement duties.

Instructor: Sgt. Carl Schwartze (Ret) is a 27 year veteran of Law Enforcement. He began his career with the Brookfield, Missouri Police department where he served for 2½ years before moving to Springfield, where he served until his retirement in April 2015.
